

Super Crypto Mining Launches Cloud Mining Platform

May 02, 2018 6:30 AM

NEWPORT BEACH, CA, May 02, 2018 (GLOBE NEWSWIRE) -- DPW Holdings, Inc. (NYSE American: DPW) ("**DPW**" or the "**Company**"), a diversified holding company, hereby announces that its subsidiary, Super Crypto Mining, Inc. launched its cloud mining platform on May 1, 2018, as previously announced during its January 31, 2018 webcast and in subsequent announcements. The cloud mining platform initially is operating in beta, available to pre-registered subscribers only, offering digital mining services for Bitcoin only, with other cryptocurrencies to follow. Super Crypto Mining will announce when the cloud mining platform has completed beta testing as Super Crypto Mining anticipates rolling out additional subscription campaigns through 2018 and thereafter. Pre-registered members previously registered through the Super Crypto Mining website and dedicated registration page.

The cloud mining platform features a comprehensive dashboard showing mining progress and payout options. Subscribers now have an economical path to begin crypto-mining without the heavy start-up costs and complex technologies. "The cloud mining platform is supported in part by our latest U.S. based mining farm. As previously mentioned, this relationship provides us with up to 25 megawatts of power. We are extremely satisfied with this new location. The team has delivered one of the most advanced farming locations in record time." commented Darren Magot, CEO Super Crypto Mining.
